ABOUT CANISTRA TILES

Canistra Tiles is the export division of Canistra Trading Private Limited, India's emerging leader in sourcing and supplying premium ceramic and vitrified tiles to the Gulf region.

We collaborate with India's most trusted manufacturers to deliver world-class quality, modern designs, and consistent supply for residential, commercial, and large-scale projects.

With a strong presence across Saudi Arabia, UAE, Qatar, Oman, Kuwait and Bahrain and fully compliant with SASO and GCC market requirements, Canistra ensures every shipment reflects our commitment to excellence, reliability, and long-term partnership. Our mission is simple — to make Canistra your trusted source for Indian tiles in every Gulf project.

WHY GULF BUYERS TRUST CANISTRA

At Canistra, we go beyond traditional exporting — we act as your strategic sourcing partner for India's finest tiles.

Our strength lies in providing end-to-end export solutions — from factory selection to shipment and after-sales support — ensuring complete reliability.

With access to over 100 leading Indian tile manufacturers, we handpick the best quality, design, and pricing that match Gulf market standards and end-to-end SABER support for Saudi shipments.

Our leadership team, with deep understanding of Arabic language, culture, and trade norms, bridges communication seamlessly between India and the Gulf.

With our presence in Saudi Arabia, UAE, and Qatar, our regional team is always available to meet clients personally and provide on-ground support.

Canistra is not just an exporter — we are your trusted India-to-Gulf tile partner.

OUR PRODUCT RANGE

At Canistra, we offer a comprehensive portfolio of ceramic and vitrified tiles designed for residential, commercial, and architectural projects across the Gulf.

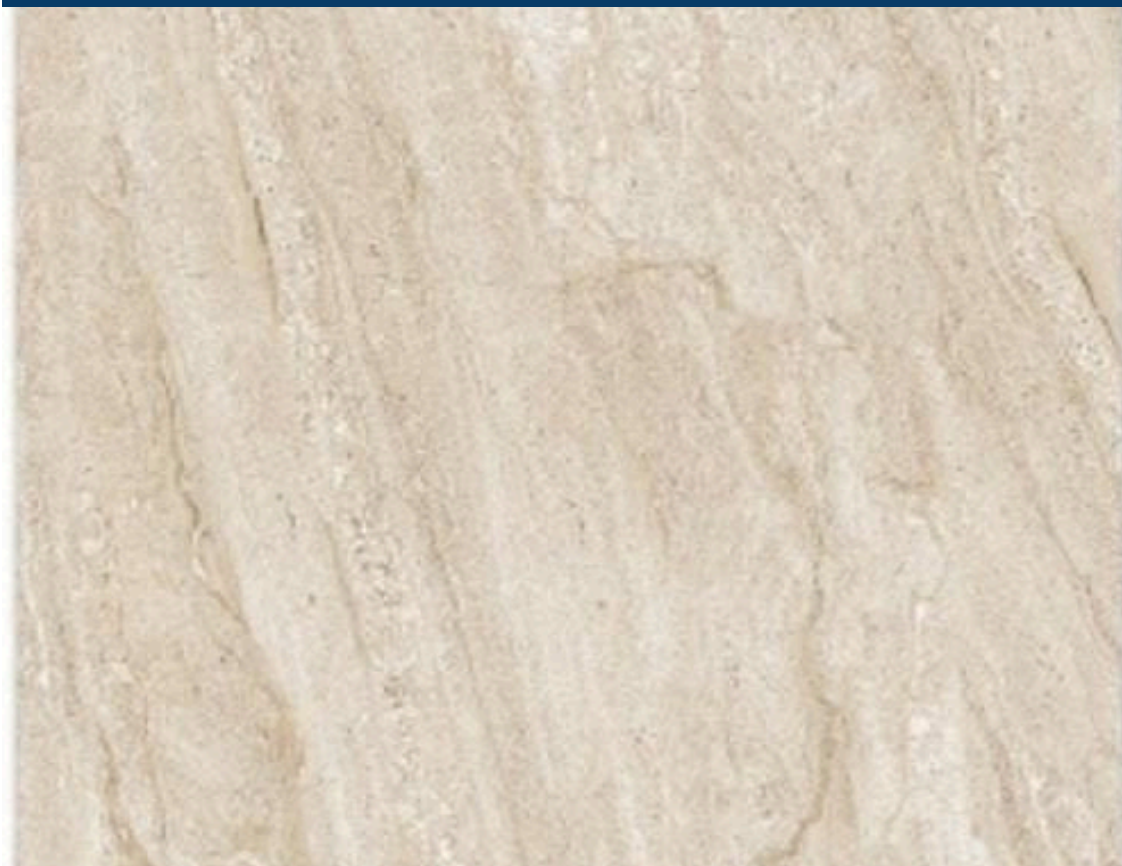

Every product is sourced from India's most advanced manufacturing plants, ensuring consistency, durability, and premium aesthetics that meet GCC market standards such as SASO, ESMA, and ISO (as applicable).

PGVT (POLISHED GLAZED VITRIFIED TILES)

High-gloss vitrified tiles combining marble-like luxury with long-lasting strength. Designed for modern interiors that demand elegance and durability.

- Mirror-polished, premium look
- Scratch & stain resistant surface
- Low maintenance, easy to clean
- Ideal for homes, hotels & offices

GVT (GLAZED VITRIFIED TILES)

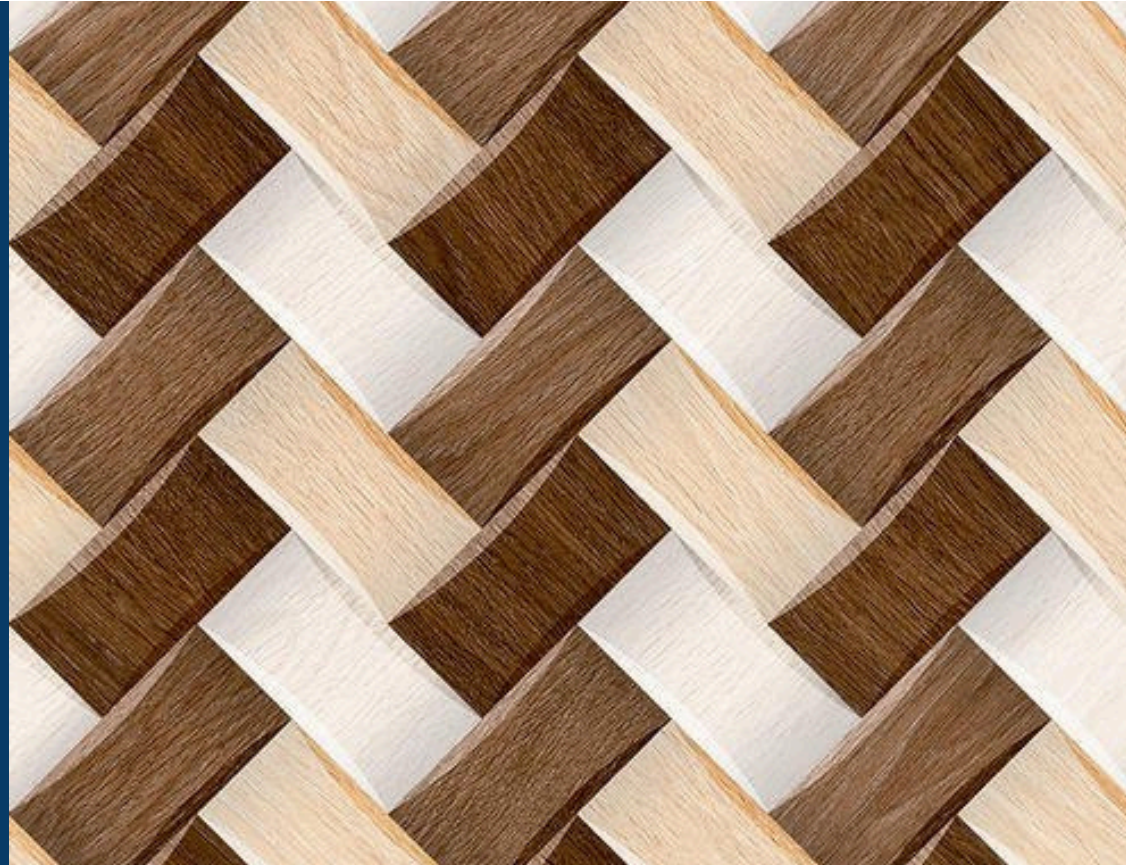

- Durable & long-lasting
- Matte / glossy finish options
- Rich digital designs & colors
- Ideal for homes, showrooms & offices

Digitally glazed vitrified tiles with elegant matte and glossy finishes. Designed to blend strength, style, and modern surface textures for all interiors.

CERAMIC WALL TILES

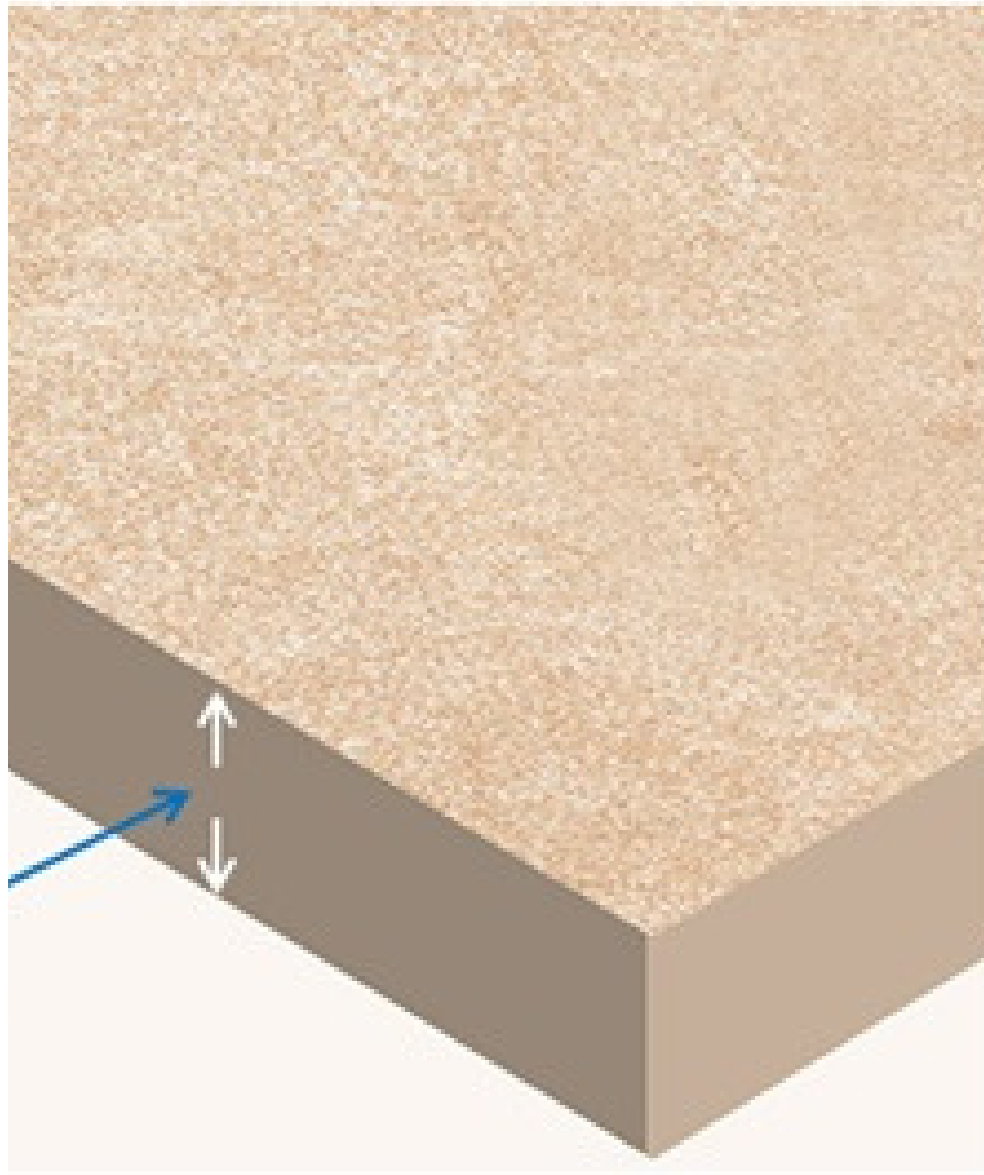

Versatile stylish wall tiles crafted with advanced digital printing to bring texture, pattern, and personality to modern interiors. Perfect for decorative and functional wall use.

- Moisture & stain resistant
- Wide range of colors & textures
- Lightweight, easy to install
- Ideal for kitchens, bathrooms & feature walls

FULL BODY & OUTDOOR TILES

Specially engineered vitrified tiles
built to perform under pressure
— combining strength, slip
resistance, and endurance for
industrial and outdoor spaces.

- High load-bearing capacity
- Scratch, stain & weather resistant
- Anti-skid surface for safety
- Ideal for parking, terraces & public areas

LARGE FORMAT SLABS (60X120, 80X160, 120X120)

Premium vitrified slabs with seamless design and minimal joints, ideal for creating luxurious, modern interiors with a grand appearance.

- Sleek & seamless surface look
- Reduces grout lines for clean finish
- Perfect for walls, floors & countertops
- Ideal for villas, hotels & commercial spaces
- Available in book-match series
